Dear Dr. Kassam:

The Supreme Master Ching Hai is privileged to present the “Shining World Compassion Award” to Plant-Based Health Professionals UK for its noble, gracious and loving efforts to improve our world. This Award is to show gratitude and to magnify a shining example of goodness for others to follow, and it is absolutely unconditional. Reward or contribution of any kind is not accepted in return, nor obligation or further contact afterward.

A letter of admiration from Supreme Master Ching Hai accompanies this letter. A beautiful plaque also will be prepared to commemorate the Health Professionals distinguished honours’ and significant contribution to the world. We would be pleased to send our representative to present this award plaque to you on a day, time and place of your choice. If you prefer to receive it by mail, please provide us with a postal address. We look forward to your response via our area representative listed below. This event will also be aired worldwide on our global constructive TV “Supreme Master Television” 24/7 online at SupremeMasterTV.com - if no objection raised.

Information about our nonprofit, humanitarian organisation and our magazine column “Series of Shining World Leadership (and other) Awards” is online at GodsDirectContact.org and <http://award.godsdirectcontact.net/>

Your gracious acceptance will signify the unconditional unity of humankind and be a great honour for us.

Respectfully yours,

The Supreme Master Ching Hai International Association
